

PT HIGH SCHOOL SAILING TEAM

AT THE

NORTHWEST MARITIME CENTER

PORT TOWNSEND, WASHINGTON

SPRING - FALL 2009

FOR LOCAL H.S., ALTERNATIVE SCHOOL, HOMESCHOOLERS
AND MIDDLE SCHOOL STUDENTS.

DISCOVER

High School Racing is alive and well in the Pacific Northwest. 28 teams are registered with the Northwest Interscholastic Sailing Association (NWISA) and race nearly every weekend through the Spring and Fall. Last season the PT High School Sailing Team (PTHSST) represented Port Townsend from the San Juan Islands to Portland.

EXPERIENCE

The PTHSST is a great way to build skills following our Summer 'Learn to Sail' youth programs and keep sailing through High School. Our coach, Chris Higgins, and other key adult supporters are long-time avid racers and have the coaching skills and techniques to build a powerful and fun PT team.

RACE

The PTHSST practices twice a week in the Spring and Fall and compete in regattas around the region. Our boats are fast and our team is quickly becoming a team to reckon with. We recommend your child take our Learn to Sail classes prior to joining the Sailing Team. If your child is interested in joining the team or you are interested in volunteering please contact us!
